

Kick-off Workshop:

Mapping exercise with the aim to fill eventual gaps and to collect inputs for the definition of the long-term strategic vision of REGATRACE project

Date: 16th November 2020

Organization:

- Hellenic Association of Biogas Producers (HABio)
- Centre for Research and Technology Hellas (CERTH)

Venue:

<https://certh.webex.com/certh/j.php?MTID=m1b3f4c27eda1ee2f8a37621e2b5ebd19>

Language: Greek (presentation by EBA will be given in English)

Start time (in EET)	Description	Speaker
Introduction to REGATRACE project		
9:45	Registration / Connection to the WebEx platform	ALL
10:00	Welcome by HABio and CERTH- Presentation of the day program	K. Alexandridis <i>Treasurer of BOD at HABio and Regatrace project manager in Greece</i> D. Kourkoumpas <i>Research Engineer at CERTH</i>
10:10	Short individual presentation of all participants	ALL
10:20	General presentation of REGATRACE: vision, goals and objectives	S. Pflüger <i>Secretary general at EBA</i>

10:40	HABio presentation - Current situation of biogas production in Greece – Biomethane perspectives and barriers	A. Yfantis <i>President at HABio</i> K. Alexandridis <i>Treasurer at HABio and Regatrace project manager in Greece</i> D. Kourkoumpas <i>Research Engineer at CERTH</i>
11:10	Coffee break	
Policy issues and mechanisms		
11:30	GoO system for electricity in Greece - The perspective for biomethane GoO	I. Giarentis <i>CEO at DAPEEP</i>
11:45	Integration of biomethane – An example in the French energy market	K. Sklavenitis <i>Trader at ACT commodities</i>
Biogas: Challenges and Opportunities in Greece		
12:00	Natural gas grid capacity and technical requirements for biomethane import	P. Panousos <i>Energy Transition Manager at DESFA S.A.</i>
12:15	Technical specifications of the Public Gas Distribution Networks and biomethane challenge	M. Tsakas <i>CEO at DEDA</i>
12:30	Potential production of biomethane from existing anaerobic digestion plants – Example of two biogas plants	V. Tziakas <i>Consultant at ERGOPLANNING Ltd.</i> T. Mitsopoulos <i>Business Development Manager at ERGOPLANNING Ltd.</i>
12:45	Coffee break	
Round table discussion		
13:00	Roundtable discussion - Feedback from all attendees	ALL
Wrap-up		
14:00	Wrap up conclusions and next steps – Date and Agenda for the next Workshop	CERTH, ALL
